MEMORANDUM FOR: Deputy Director Central Intelligence

**SUBJECT : Transmittal of CHALICE Policy Letters
Nos. 6 and 12**

1. Transmitted herewith are (a) a revised CHALICE Operations Policy Letter No. 6, which outlines policy for pilots forced down in hostile territory, and (b) a new Operations Policy Letter No. 12, which concerns the briefing of pilots engaged in overflights. You will recognize that both these letters grew out of the 1 May incident and ensuing events. These letters are the result of the combined efforts of DPD, the Office of Security, the CI Staff, and the Medical Staff. I believe they provide an intelligent and comprehensive approach to their subject matter.

2. I would appreciate receiving your concurrence in these letters before they are formally published.

RICHARD M. BISSELL, JR.

Deputy Director
